Dear MSJ Students,

This yearbook is a moment in time. It serves as a symbol of your accomplishments over the last academic year, as well as a keepsake; a constant reminder of all those who have influenced your spiritual, intellectual, and physical work during the year 2000-2001. May you look back on this yearbook with both pride and fondness for all the goodness you have contributed to the MSJ community.

Mount St. Joseph Academy had much to celebrate this year: a growing enrollment, a fully-furnished library, complete internet access, new courses, new landscaping, and a seasoned faculty. We are blessed to have all of these things, and we must be mindful of the fact that much of this came about through the determination and vision of many who came before us. I believe MSJ is successfully carrying on the tradition of excellence started by the Sisters of St. Joseph back in 1882. I continue to pray that we always serve them well.

It has been a joy to play a role in the education of the Class of 2001. We have spent two important years together, and your presence in our school will certainly be missed. I trust you feel prepared to face the adversities of the world; and I pray that you are better off for having been a Mountie.

On behalf of the faculty and staff, I wish all our graduates great success, in accordance with God's will. May you always look back on your years at MSJ as time well spent.

"You have been told, O man, what is good, and what the Lord requires of you: Only to do the right and to love goodness, and to walk humbly with your God." (Micah 6:8)

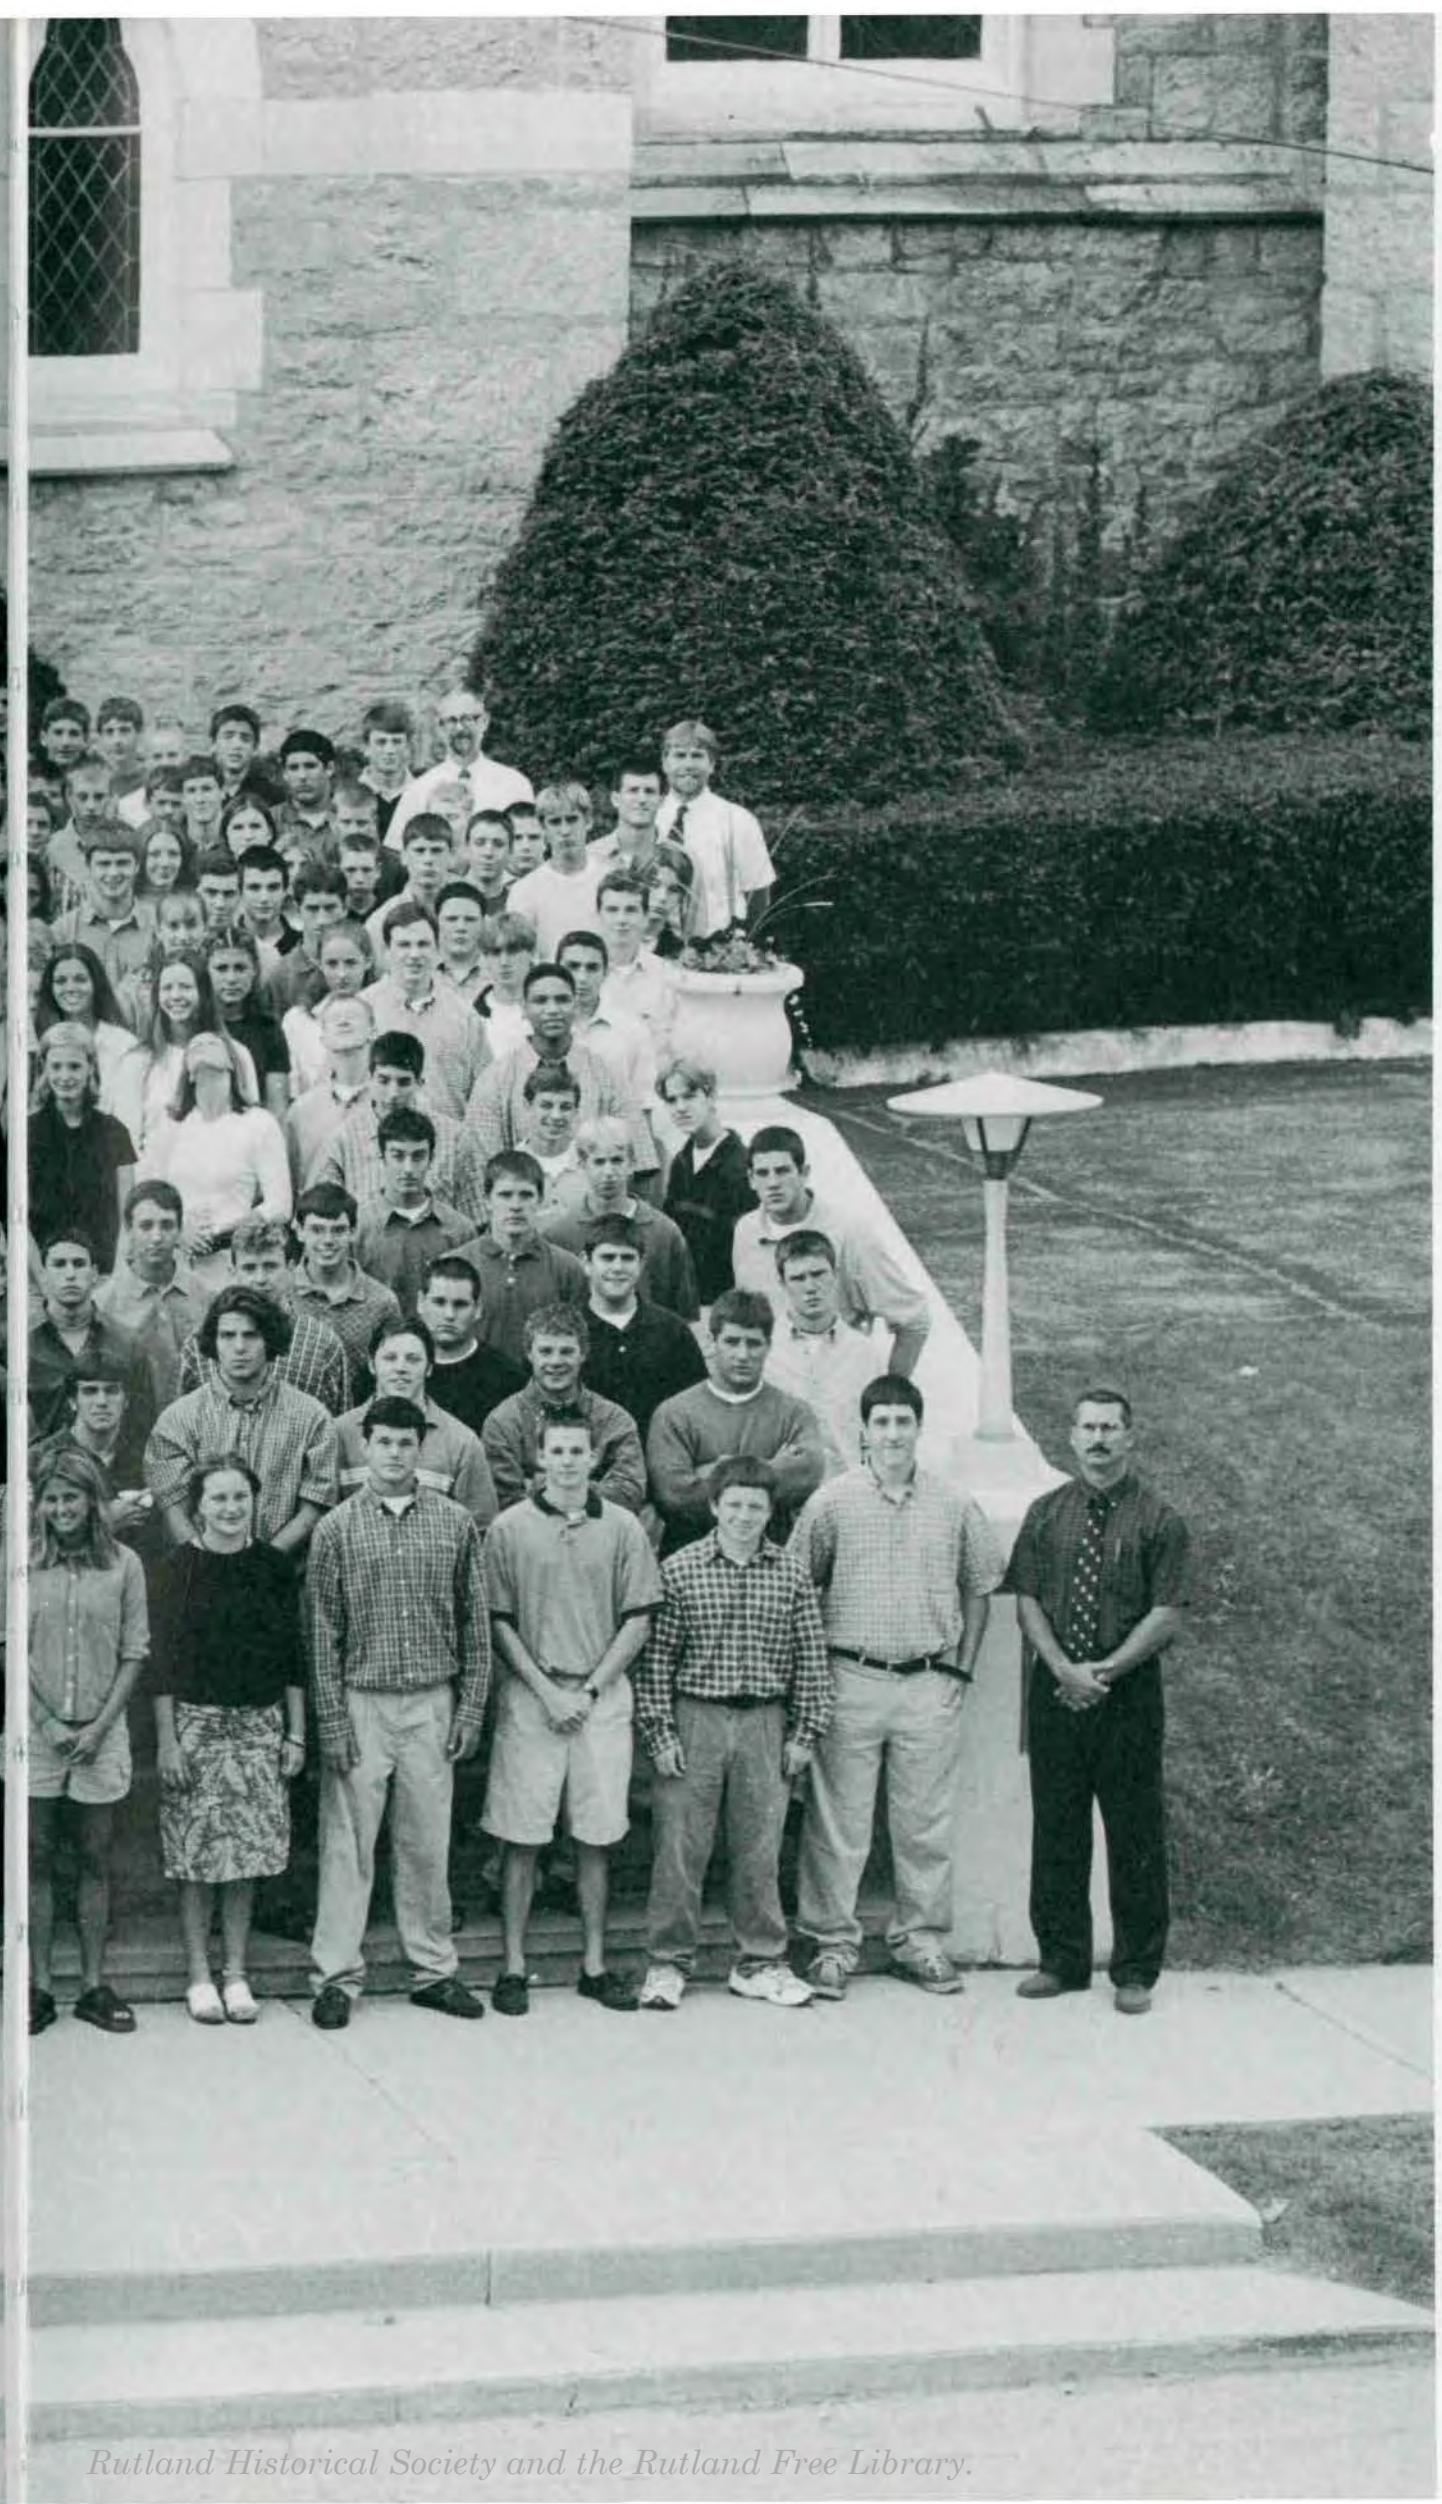

Sincerely,

Robert P. Lukaskiewicz

Mount St. Joseph Academy has recently completed a \$1.5 million renovation and building improvement. It is the most extensive building enhancement in many years, and is designed to lead the Academy forward into the 21st century. The most noticeable change is a new location for the main entrance to the school. This new entrance, in addition to providing handicap access, also welcomes visitors, faculty, and students to new locations. There is a new main office, as well as new offices for the principal, admissions director, guidance director, business manager, development director, and school secretary. Their move was necessary in order to accommodate a new library and media center. The \$1.5 million renovation is part of a \$2.6 million Capital Campaign. The remainder of the campaign funding will go to an Endowment Fund, to provide money for scholarships and faculty development.

"so was I once a swinger of birches and so I dream of going back to be. It's when I'm weary of consid-erations and life is too much like a pathless wood" ... I'd like to get away from earth awhile, then come back to it and begin over ... earth's the right place for love, I don't know where it's likely to go better. I'd like to go by climbing a birch tree and climb black branches up a snow white trunk toward heaven, till the tree could bear me no more, but dipped its top and sent me down again. That would be good both going and coming back. One could do worse than be a swinger of birches." - Robert Frost

Erica Bove - Traveling the world, expanding my horizons, and occasionally lalala-ing with the Phat Club. Jessica Bride - I'll be living it up in Beverly Hills, sitting by the pools with Sarah J. and Ryan Phillipae having just sold another script and having made yet another film and trying to relax after another big night at the Oscars; I'll have won at least ten by that point. Laura Butterfield - In Hollywood, awaiting my big break into stardom. The owner of a shop dedicated to Oscar history and memorabilia. Still chasing Pete Sampras and taking Oscar morning off. Erin Buttery - You will find me in the suburbs living in a finished house as a successful teacher with a beautiful family. Kate Charles - I will be a famous photographer, traveling the world, and living in Hawaii. Katie Chisholm - I will be living on the coast of Maine running a Bed and Breakfast with Jessie. I will achieve great success and will be happy with my husband and family. Ryan DePoy - I will be riding in the future van listening to Joe tell me he is friends with Tim, while Andy has his head out the window, getting bad service at Pizza Hut with Hartman and Greenough and going to White River with Chris. Mike Gage - I will be in Costa Rica with Brett; getting in trouble, chasing girls, and living up the good life. YEAH ROCKY! Tom Gaudreau - As long as there is Taco Bell, there will be happy people. Depletion of fossil fuels will put a crimp on wasted nights driving aimlessly in pursuit. For this class, I see success (more or less). For me, though ... eventually I will be resigned to my own little padded cell. Olivia Gawet - I'll be playing the viola on a street corner in France trying to make enough money to bail my European activist husband out of jail for leading a national protest in America against their gun-control laws while Congress was in session on the issue. ing a couple of horses. Charlie-Mae Johnson - Years from now I'll be in Hawaii with a degree in psychology making the big bucks at my own private office taking care of the overprivileged on vacation! Sarah Josselyn - I'll be making the bucks while married with children, and still making it home to an MSJ football game at St. Peter's once in a while. Jeff Ladabouche - I'll be forever making the "Run for the Border" with Tom and James in search of the answer to the eternal question, which is better, the chalupa or the gordita? When not on road trips I'll be getting rich and curing cancer. As always, I will be searching for conflict with Carlyne. Jared Loso - After graduating, I'm going to cruise into the sunset, blasting my system, letting fate decide where I go next Caleb Mayer - In my future I see myself doing one of two things in regard to school. I will either attend a prep school and do a post graduate year or I'll graduate and go on to higher education. In college I see myself majoring in either Law Enforcement or more likely Environmental Science. After college ... Not sure, but marriage and kids could be expected. Baby Pictures

Please note that the Answer Key for all baby pictures
can be found on page 160.

As we have grown and changed, so have our ideas of friendship....

In Kindergarten your idea of a good friend was the person who let you share the red crayon when all that was left was the ugly gray one.

In 1st grade your idea of a good friend was the person who went to the bathroom with you and held your hand as you walked through the scary halls.

In 2nd grade your idea of a good friend was the person who helped you stand up to the class bully.

In 3rd grade your idea of a good friend was the person who shared their lunch with you when you forgot yours on the bus.

In 4th grade your idea of a good friend was the person who wouldn't let you get picked last for the kickball game at recess.

In 5th grade your idea of a good friend was the person who saved a seat for you on the back of the bus.

In 6th grade your idea of a good friend was the person who went up to your new crush and asked them to dance with you, so that if they said "no" you wouldn't have to be embarrassed.

In 7th grade your idea of a good friend was the person who let you copy the homework from the night before that you had forgotten about.

In 8th grade your idea of a good friend was the person who helped you pack up your stuffed animals and old baseball cards so that your room would be a "high-schooler's" room, but didn't laugh at you when you finished and broke down in tears.

In 9th grade your idea of a good friend was the person who went with you to that "cool" party thrown by a senior so you wouldn't wind up being the only freshman there.

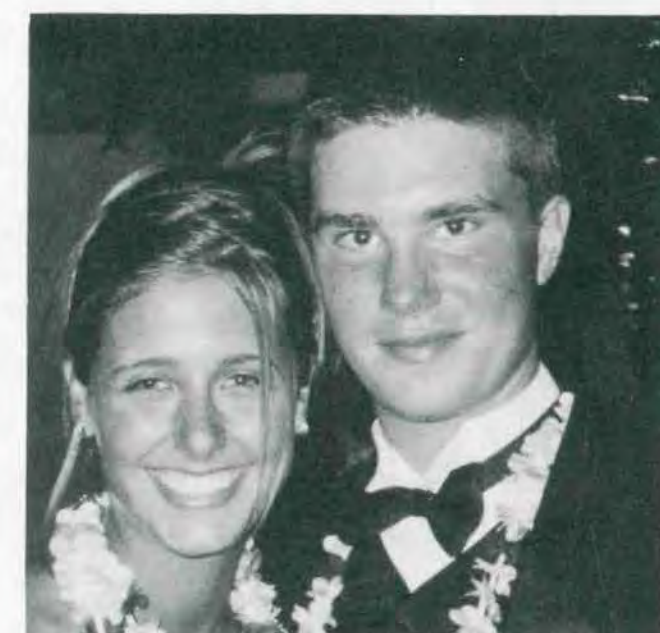

In 10th grade your idea of a good friend was the person who changed their schedule so you would have someone to sit with at lunch.

In 11th grade your idea of a good friend was the person who gave you rides in their new car, convinced your parents you shouldn't be grounded, consoled you when you broke up, and found you a date for the prom.

In 12th grade your idea of a good friend was the person who helped you pick out a college, helped you manage the stress, and helped you deal with your parents who were having a hard time adjusting to the idea of letting you go.

At Graduation your idea of a good friend was the person who was crying on the inside, but managed the biggest smile one could give you as they congratulated you.

Mount Saint Joseph Academy provides a
quality education

in a Catholic community setting

directed toward the

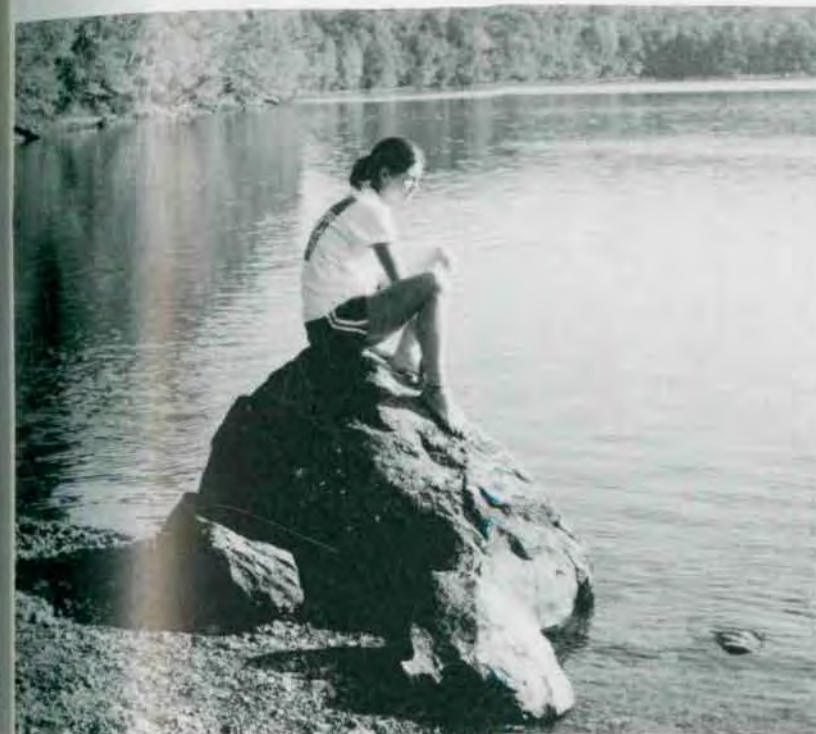

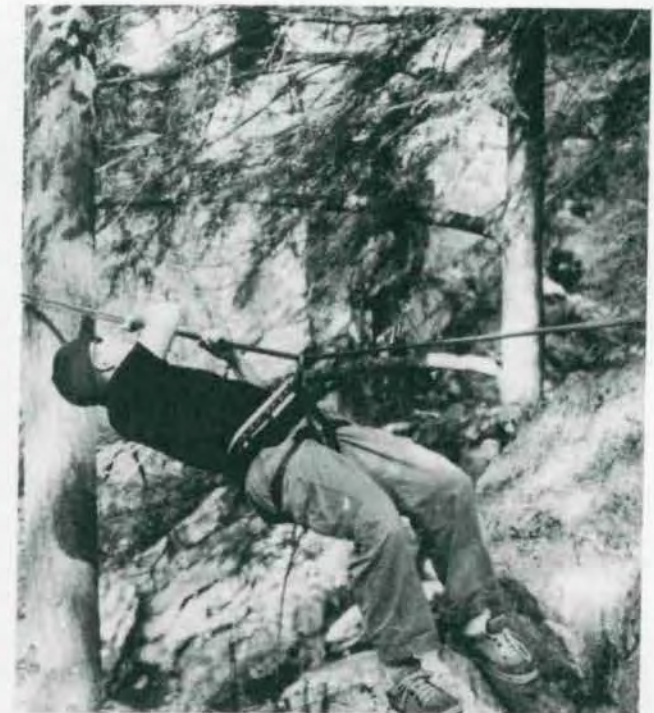

development of the

whole person.

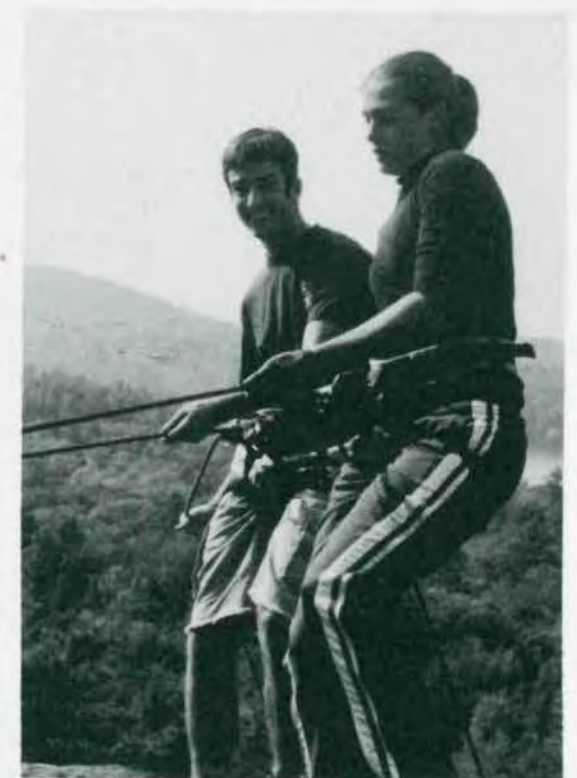

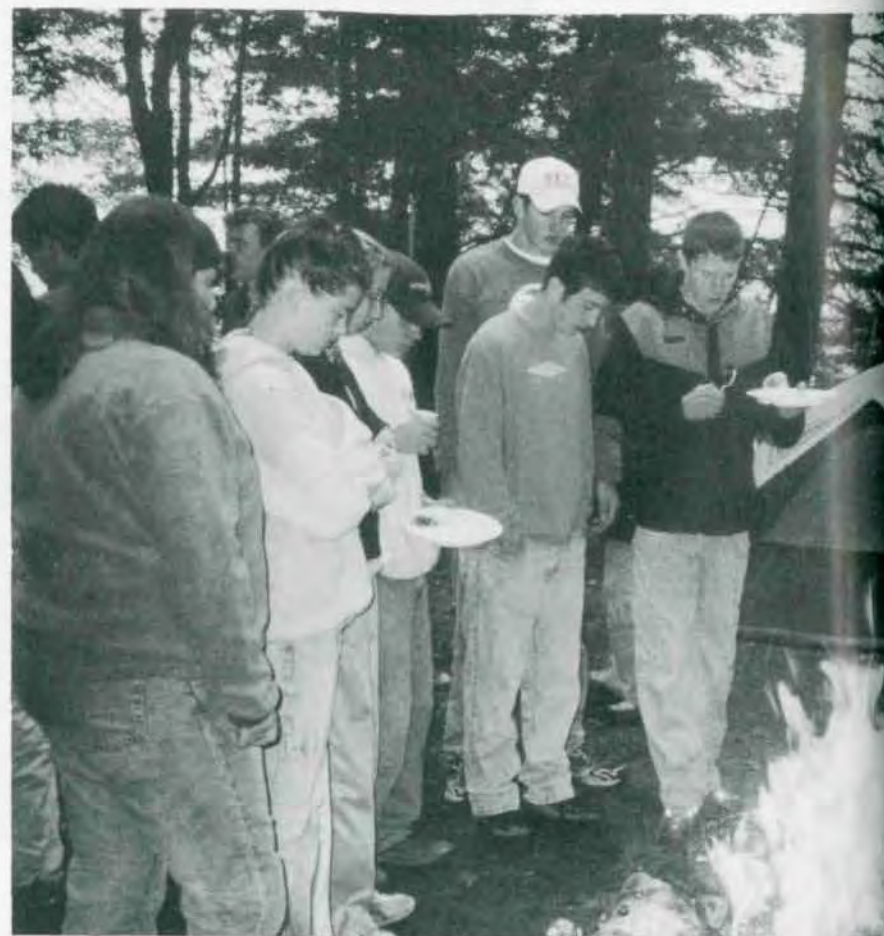

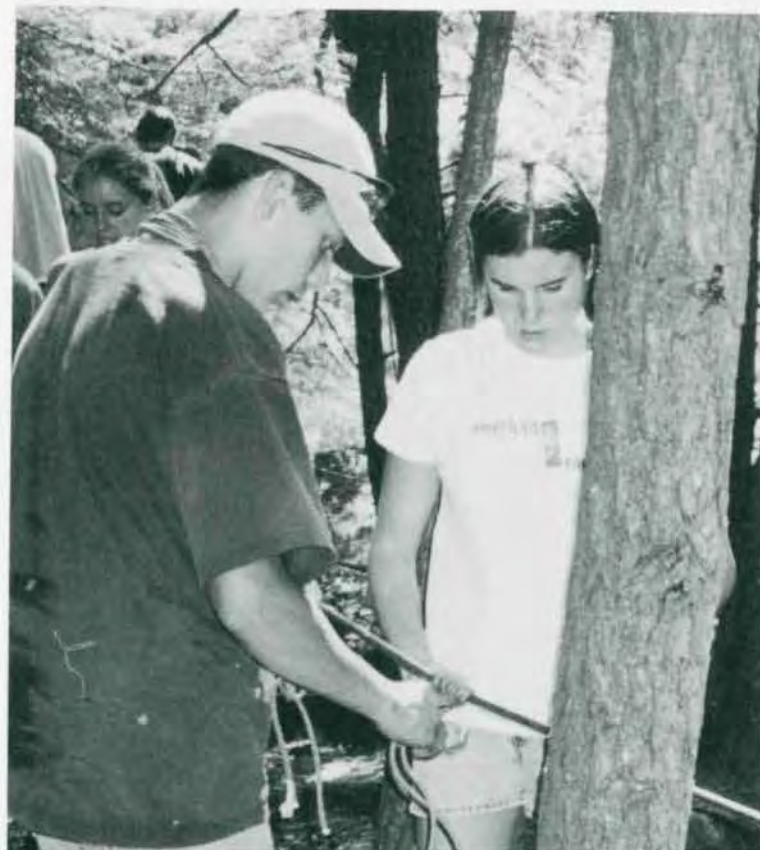

Retreats

A great effort has been made on the part of the Theology Department, through the guidance of Father James McShane, to have Peer Leadership Teams design the retreats. This year's retreats blended the spiritual team building activities, especially wilderness experiences designed by Steve Lulek.

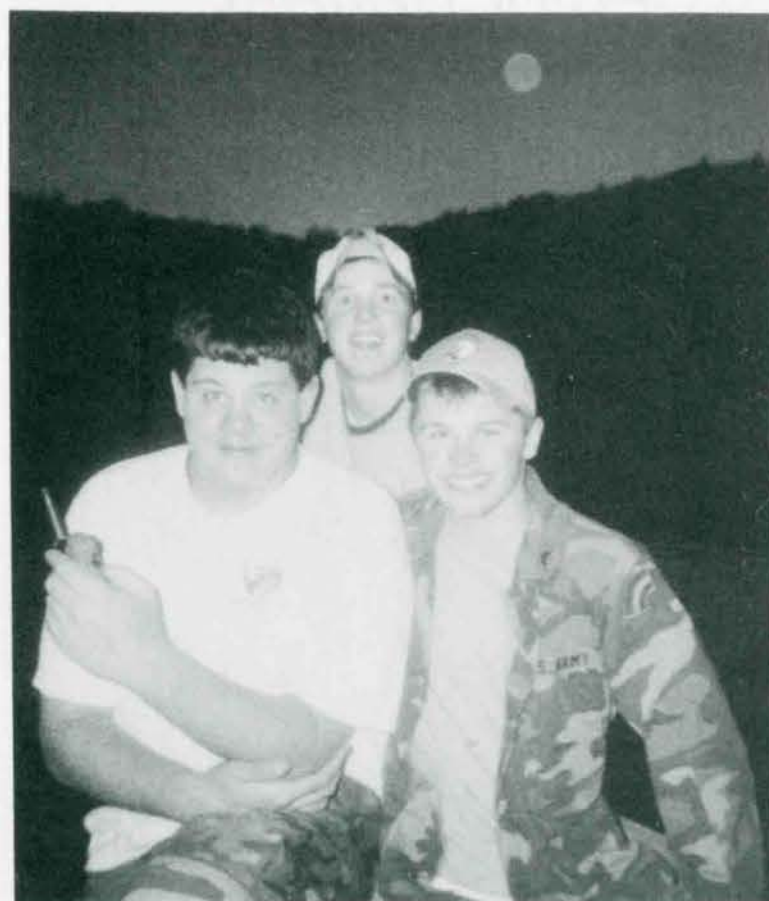

Retreat is both a time for us, as students, to enter into personal reflection and a time for deepening our relationship with others. It is through this personal reflection and a deeper awareness of our relationships that we become more aware of our relationship with God.

Community Service

"Almost Heaven" Habitat for Humanity. The Open Door Mission. Dismas House. Loretto Home. St. Joseph's Residence. Council on Aging. These are some of the service outreach possibilities at Mount St. Joseph Academy. Service is about growing as a person of faith. As one student said: "My service has made me aware that God really is present in the lives of other people."

1. Eric Ludwig volunteered throughout the winter with the Junior Program at the Pico Ski Area to teach young children how to ski. 2. Megan Kiernan and Amelia Páini wrap gifts with the Interact Club. The Interact Club adopted several families in Rutland for the holiday season 3. Brett Pollinger prepares to cook a meal at the Dismas House. 4. Mr. Zancanaro and Mrs. Welch transported the donated clothing to the Women's Shelter and the Mission.

Pictured above are the students who traveled to West Virginia in October 2000 to volunteer for Habitat for Humanity. They are: Kristen Bagnall, Darby Simonds, Cara Butterly, Stacey Swahn, Barry Johnson, Amanda Vargas, and Tess Pollinger. A very special thank you to the chaperones - Mr. Zuccotti, Mrs. Ludwig, and Mrs. Dalla Mura.

The goal of Almost Heaven Habitat for Humanity is to eliminate substandard housing in Pendleton County, West Virginia, and to make decent shelter a matter of conscience and action in our community.

Project Help

The faculty and students of Mount St. Joseph Academy set a goal of collecting 200 winter items during Project Help. They dug deep into their closets and surpassed their goal by bringing in 320 items. These items were donated to the Battered Women's Shelter and the Open Door Mission.

Project Help has been a tradition at Mount St. Joseph Academy since 1969. This year 170 baskets were delivered. The extra food was donated to the Community Cupboard, the Mission, and the Salvation Army. \$3,439.77 was collected to purchase turkeys and chickens for the holiday baskets.

Mounties trample Trojans, 7-0

Six different players scored as Mount St. Joseph blanked Whitingham 7-0 in Marble Valley League Thursday boys soccer play. The Mounties were led by Mike Gage, who scored two goals, Ron Sivret, contributing one goal and three assists, and Vince Doan, who got one goal and two assists. Goalkeeper Justin Belden made an impressive save in the 2-2 tie. MSJ outshot the Trojans 28-0.

Mount St. Joseph
Coach John Sivret is looking for some good things from his Mounties. Sivret has 10 returning lettermen on a team that includes four seniors, five juniors, one sophomore and the rest freshmen. The Mounties were 3-9-2 last season. "We're expecting a real good year," Sivret said. "The group is real solid and they all got a lot of playing time last year. We've got some good talent coming in with the freshmen, so I expect good things to happen this season."

MSJ tops Proctor

Kristy Hadeka scored a goal and added an assist as MSJ claimed a 2-1 victory in overtime over the Proctor Phantoms on Monday in Marble Valley League girls soccer play. The teams played to a 0-0 draw in regulation. Hadeka scored from Bridges McCormick 7-00 into the firm overtime period, while Inza Rehlen tallied the second Mountie goal from Hadeka with 9:00 left in the second OT session. The Mountie defense of Megan Kiernan, Meghan Keenan and Lauren Lay came up with a big effort fronting MSJ goalie Stephanie Collins-Ammatuna, who had 15 saves. MSJ improved to 3-2-1.

RUTLAND - Desperate to generate offense, Mount St. Joseph Academy football coach Brian Grady turned the quarterbacking duties over to a 14-year-old freshman and vowed to be creative. Colin Temple responded by throwing for 269 yards and two touchdowns passes, while the MSJ special teams came up big. The Mounties claimed a 31-20 victory over Mount Anthony, netting their first Division I football victory of the season on a damp Saturday at St. Peter's Field.

Mounties stun Brattleboro

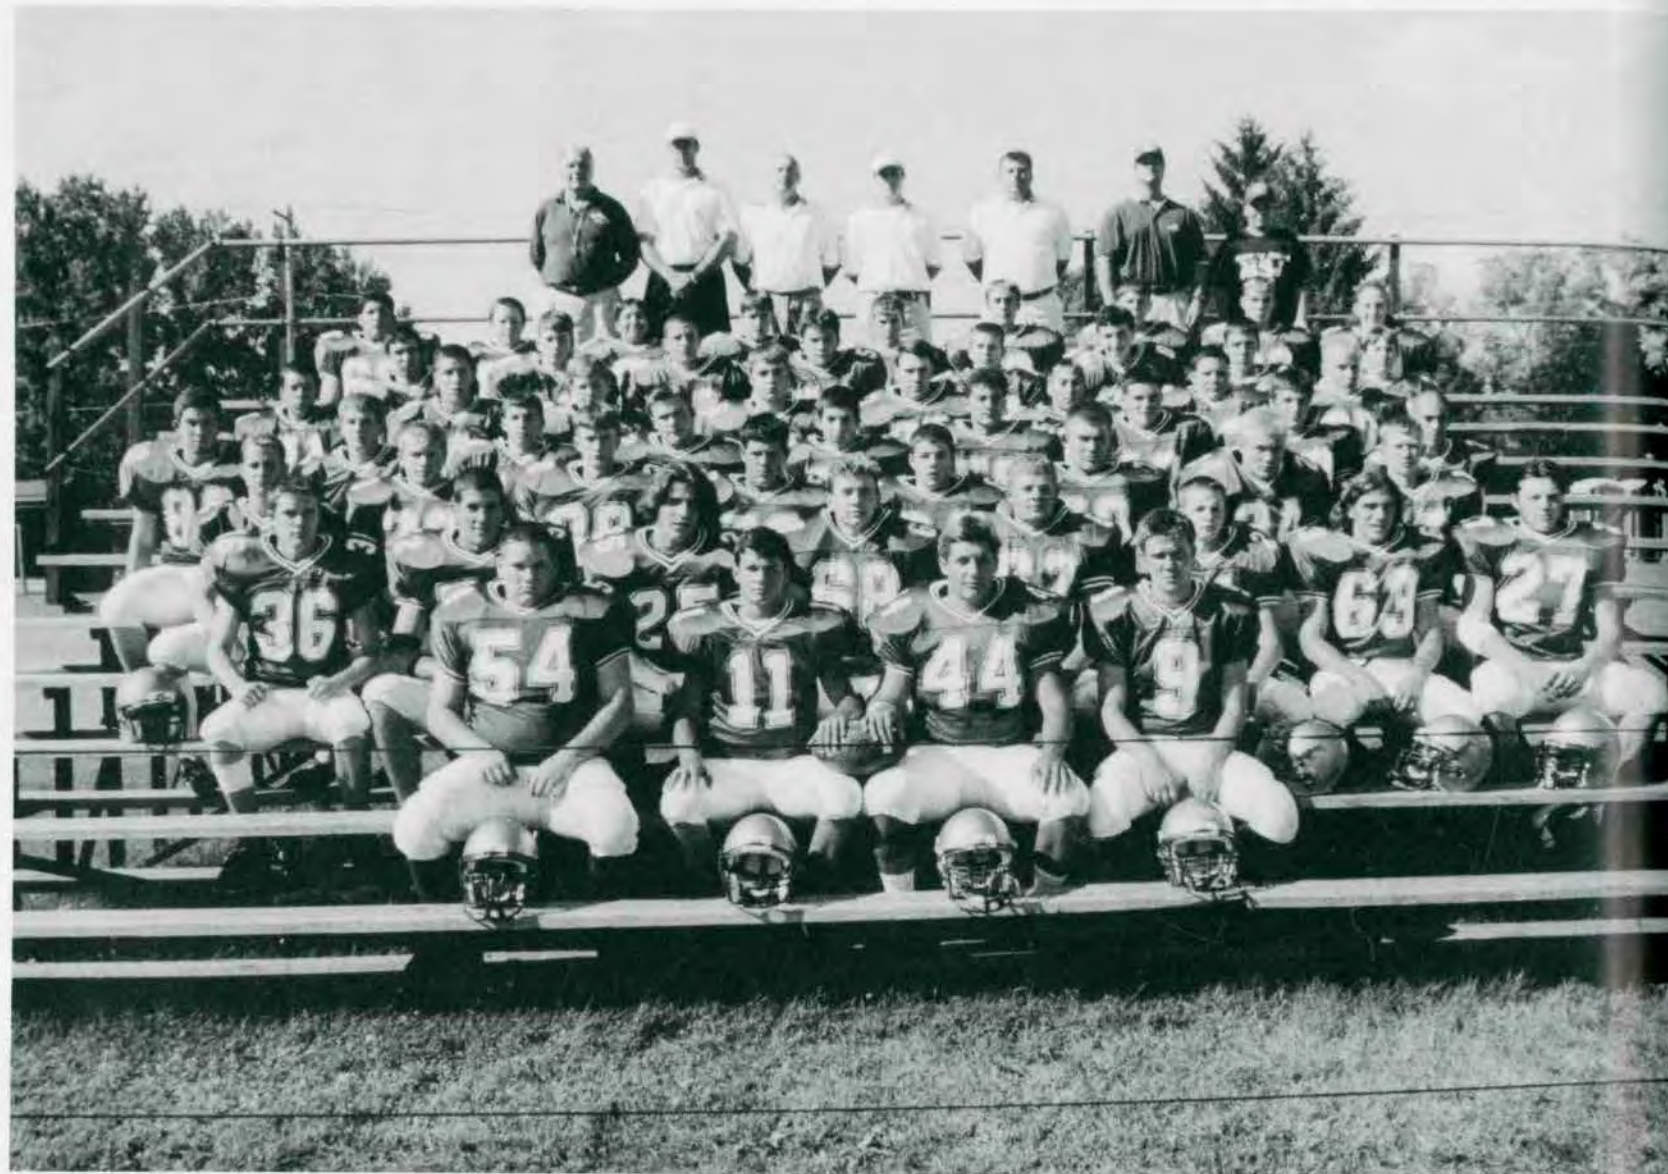

Defense comes up big for MSJ

By CHUCK CLARINO
Staff Writer
CLARENDON - Mount St. Joseph Academy's defense carried the day, lifting the defending Division I champion Mounties to their first victory of the season, a 19-0 shutout of the Mill River Minutemen on a hot and sunny Saturday. A goal-line stand by the Mountie defense just before halftime - in which the Academy defense stopped the Minutemen four times inside the five - including three times from the one-yard-line - was the centerpiece of this victory. "Our seniors stepped it up, but the whole defense was playing like it was possessed today," Mountie middle linebacker and defensive captain said.

RUTLAND — Mount St. Joseph Academy senior Jessica Bivins, wearing the National Anthem, and her classmates took it from there, dismantling the Green Mountain Chieftans, 59-29, on Senior Day at the Convent Avenue Gym in Saturday's Marble Valley League girls' basketball game.

MSJ seniors Erica Bove, Katie Kiernan, Katie Chisholm, Bridget McCormick and Jessie Weatherby were honored during a pre-game ceremony.

It was a festive atmosphere because this is a Mountie team putting the finishing touches on a special season. This victory pushed their record to 15-3, solidifying their No. 2 seed with one game remaining at Leland & Gray.

Mounties roll in opener MSJ overpowers Yellow Jackets

By CARLETON LAIRD
Herald Staff

To break it down into its simplest form: Big is good.

When you have three players over 5-foot-9, it makes it difficult for the other team to defend. Such is the case of the Mount St. Joseph girls basketball team.

Six-foot Lauren Layn scored 21 points while 5-10 Katie Chisholm added 12 and 5-10 Katie Kiernan chipped in 10 as the Mounties overwhelmed an undermanned Windsor team 69-28 in an MVL game at Convent Avenue Gym Thursday.

MSJ mashes Windsor

In Windsor, the Mount St. Joseph Academy girls basketball team got a 69-28 win over the Jacks in a girls MVL basketball game.

Katie Kiernan led the Mounties with 14 points while Lauren Layn and Jess Weatherby both added 10. Hannah George's 10 points topped the Jacks.

MSJ led 13-6 after the first quarter, 29-12 at the half. Windsor slips to 4-10.

Mill River goalie Dan Cote stones MSJ's Jeff Ladabouche on a break for a shorthanded goal. MSJ won the game 8-1.

Turner leads Mounties over Hurricanes

Mount St. Joseph led 38-13 at halftime and held on for a 50-34 victory over Hartford in Marble Valley League boys basketball Tuesday.

"We didn't get as many easy shots in the second half," Mountie coach Mike Wood said. "Hartford stepped up in the second half."

Zach Turner led the 2-4 Mounties with 12 points. Dan Fitzgerald contributed 11 points and Tim Doherty added 10 for the Mounties. The 0-5 Hurricanes were led by Chris Freitas and Adam Youngman, who each scored seven points. The Mounties play at Rice Thursday.

Mounties spread the wealth in victory over West Rutland

By JAMIE NORTON
Herald Correspondent

Coming into its contest at Mount St. Joseph Thursday night, the West Rutland girls' basketball team had set a goal — to neutralize MSJ's height advantage in six-foot Lauren Layn. But the Golden Horde should have given Mary Crawford and Meghan Keenan a little more respect, as the junior guards played key roles in the Mounties' 54-32 victory.

"My strategy coming in was, I wasn't going to let their big girls beat me," West Rutland coach Carl Serrani said. "And then Mary Crawford decided to destroy that."

Mount St. Joseph's tower, six-foot Lauren Layn finished with 12 points, and 5-7 guard Crawford took advantage of her opponents' emphasis on Layn to lead all scorers with 16. Keenan, in the meantime, led a grand-theft effort against Westside, grabbing seven of her team's 24 steals.

Mounties too much for Minutemen, romp 8-1

By CHUCK CLARINO
Herald Staff

Mike Gage spearheaded a potent Mount St. Joseph attack that opened at home with a strong 8-1 victory over Mill River in Vermont Hockey League inter-divisional hockey action Wednesday at Royce Mandigo Arena.

Gage scored four goals, including a winner, and handed the senior captain an unstoppable power-play score what the hockey cycle: short handed and away.

"On one, I don't know if there is anyone that can stop him (Gage)," MSJ coach Louis Gaudreau said of his first-line forward.

ward. "He's a definite threat to any team we play. And that is an added bonus for our team."

This contest was never in doubt. Skating against a winless Division III team that was playing with a short bench, the stronger Division II Mounties had their way with the Minutemen.

The Mounties scored three times in the first period and built a 6-0 advantage before Mill River scored its only goal late in the second period.

MSJ outshot Mill River in every period and 35-14 overall. The Mounties were also supreme on special teams: MSJ converted on three of four power-play chances and scored the only time they were shorthanded.

Jeff Ladabouche scored three goals and dished off two assists while Ron Sivert added a goal and an assist. Kristy Hadeka and Mike Gage also chipped in goals for MSJ.

"This was a penalty-riddled game," MSJ coach Louis Gaudreau said. "We were given 10 penalties and during that second period skated out two five-on-three situations. We were outshot 19-4 that period. It was a nail-biter, a game, but we came through with lots of guts and energy to win."

Sibling Rivalry

Transportation

Transportation. What kind of car do you drive? Every morning there is a grudge match in the back of the MSJ parking lot over who will get the back row. The trucks or the jeeps?? Pictured with their jeeps are Mike and Chris Sabatino, Lia Wortman, Eric Ludwig, Mary Crawford, John Lewis, and Darby Simonds. Not pictured is new jeep owner Kelli Kennedy. Pictured with their trucks are Chris Facey, Nick Ransom, Ben Flis, and Matt Mallory. Missing from this picture is Tim Doherty with his "green machine."

New to MSJ this year is a bus that runs from Springfield. On days when there are not enough students to fill the bus, a limousine chauffeurs the students home. The driver informs us that the limo is more fuel efficient than the bus. Jessica Hertford is pictured next to her ride home for the day - a stretch limousine.

Catholic Schools Week

Pictured at left: Amy Kelley, Marlee Forte, Nicole LaFrance, Marc Hayes, and Amanda Burns earned a ride in a limousine to Mass at Christ the King Church. They wore their Catholic School Week pins from last year on the designated day.

When Chuck Nolan (Tom Hanks) with Kelly Frears, a loving fiancée (Helen Hunt), and a job as an inspector for Federal Express that allows him to travel around the world, is in a terrible accident that leaves him stranded on a tiny island for four years, he must give up everything that he once took for granted and learn how to survive alone in the wilderness. From director Robert Zemeckis, "Cast Away" is a story of adventure and discovery surrounding one man's will to stay alive.

Kelly Frears (Helen Hunt): I always knew you were alive, I knew it! Everybody said that I had to let you go! I love you. You're the love of my life!

9 CAST AWAY TOM HANKS PG-13

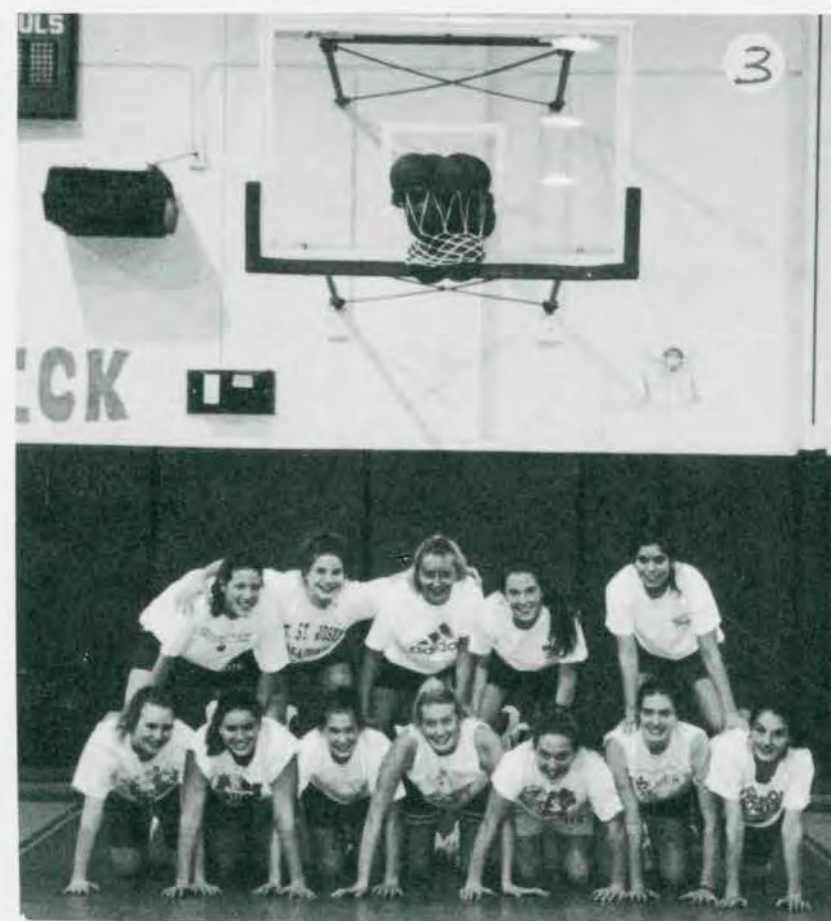

Chuck Noland (Tom Hanks): And now, here I am. I'm back. In Memphis, talking to you. I have ice in my glass. And I've lost her again. I am so sad that I don't have Kelly. But I'm so grateful that she was with me on that island. And I know what I have to do now. I have to keep breathing. Because tomorrow the sun will rise.

Monday - Guest Speakers and Dunkin Donuts Day
Tuesday - CKS shoot out at Men's B-Ball Game
Wednesday - Hat Day
Thursday - Movies: Cast Away
Friday - Mass at Christ the King

Pictures 1 and 2 were taken by MSJ students Stephen Abatiell and Kirstin Wing. With the addition of the Dark Room, MSJ students are able to take an independent study Photography Class. **Picture 3:** is the MSJ Mountain Bike Club. They competed in the Ascutney race in October 2000. Inza Rehlen finished 2nd in the Women's Division. Back Row: Paul Calabrese, Brian Kussel, and Jacob Lawrence. Front Row: Trevor Pour, Inza Rehlen, Liam O'Byrne, and Stephen Collins-Ammatuna. Missing are Brian McDermott and Coach Andy Zuccotti.

1. Jeff Ladabouche, the 2000 Recipient of the Heisman Trophy Award, is recognized as one of the top high school scholars-athletes-citizens in the country. 2. MSJ welcomed several new transfer students this year - two of whom are pictured here. Lindsey Taylor transferred from Rutland High School and Elizabeth Romine moved from Ohio. 3. The Women's Basketball team piles on top of one another - just as they have managed to pile ten basketballs on top of one another. Please note the basketball hoop!

To our son Caleb;

There are so many miraculous things that you have already experienced and will experience in the years to come! There is no better way to live than on the "cutting edge"!

"The quality of a person's life is in direct proportion to their commitment to excellence, regardless of their chosen field of endeavor."

-Vince Lombardi.

As your life ends one chapter and begins the next, take confidence in knowing this, that we are so very proud of you and all that you have accomplished, and we know that "the glory of the latter house will be greater than the former".

YOUR NOT DONE YET !!!

We love you with an everlasting love, son.
Mom and Dad

Isaiah 43:18, 19

Do not earnestly remember the former things, neither consider the things of old.

Behold, I am doing a **NEW THING**; now it springs forth; do you not perceive and know it and will you not give heed to it? I will even make a way in the wilderness and rivers in the desert.

Isaiah 60:1

"Arise; rise to a new life, **SHINE**-be radiant with the **GLORY** (the manifested presence) of the **LORD**; for your light is come, and the **GLORY** of the **LORD** is risen upon you, Caleb!"

"But Officer, I was only going 3 mph."

Congratulations!
Much Love, Mom + Dad

Let the choices you make in life be guided by love, peace, kindness, and your integrity.

"Every time a football player goes to ply his trade he's got to play from the ground up - from the soles of his feet right up to his head. Every inch of him has to play. Some guys play with their heads. That's O.K. You've got to be smart to be number one in any business. But more importantly, you've got to play with your heart, with every fiber of your body. If you're lucky enough to find a guy with a lot of head and a lot of heart, he's never going to come off the field second."
